CLASSIFICATION SECRET

SECRET 25X1 5. 1 During the last days of observation, individual groups of engineers engaged in reconditioning of quarters at the water training sites south of the Brambach flex plant. The sammill at the water training site southeast of Rosslau was again in operation. Engineer trucks carrying beams and logs went from there toward the water training site south of Brambach. Camp Gross Kuehnau was occupied by only a 25X1 guard detail wearing red-bordered black epaulets. In the afternoon on 6 March, Camp Gross Kushnau was apparently being vacated, with billeting equipment being shipped away by several trucks. 1. Comment. an AAA unit of the air force from the Zerbst airfield. 2. units of the 62d AAA Div the bulk of which is stationed in Kochstedt. 3. 25X1 The information on decreased training activities of tank units is correct. According to other reports, numerous tank units of the division were at Letzling Heath for firing practices from mid-February to early March.
